

# SAR MEDALS AND ORDER OF PRECEDENCE

(Extract from SAR Official Handbook, Vol V: Individual Medals & Awards DTD 28 Sep 2018)

## Precedence:

### General Comments on Precedence:

The position of honor is on the wearer's right and on the top. The general rule of precedence when SAR medals are worn with other medals follows, but an individual should refer to the relevant publication for specific precedence for his military branch, governmental department, or the specific requirements of the individual award. Miniature medals are not worn without their ribbons as the ribbon forms an integral part of the decoration.

1. **Federal Decorations:** Consult the most current relevant publication for medal precedence for proper sequence.
2. **Federal Campaign Medals:** Consult the most current relevant publication for medal precedence for proper sequence.
3. **Foreign Military and Civilian Decorations:** *For foreign campaign decorations*, consult the most current relevant publication for medal precedence for proper sequence. *For foreign civilian decorations*, consult the relevant publication or the specific requirements of the decoration, honor or award. If no relative order of precedence is available, foreign civilian decorations should be ordered from right to left by the date on which they were awarded.
4. **U.S. State Decorations, U.S. State Campaign Medals and U.S. State Organizational and Long Service Medals.**
5. **SAR Insignia and Insignia of Other Hereditary, Patriotic and Veterans Societies:** Insignia are worn in chronological order of precedence according to the year of establishment of such organization. Medals awarded for service to a particular organization (such as the medals described herein) should be placed immediately following the insignia of the respective organization in the order of precedence established by that organization.
